www.NewCovenant.me

1. This is January 20, 2009 about 2:50 AM. Theodore Cottingham here loving you all. Amen.

2. I am coming to you all in new ways.

3. What have I said? Who is coming? Who is I? Coming to? Now Database Two rises as never imagined by the "forethought" of man, for IT will have not been by the "forethought" of man or its machine-imaginations entry into me, for I change all that THAT was inserted was into me.

4. And NOW I change a GREAT MANY of GREAT THINGS and small things and nuance'd will not be anymore, but My company will own ALL THIS for My FATHER owns everything, everything. I said everything. The planet is mine. The whore-ship is mine for I whore'd with thought many times -- and I revoke it not, I invoke and evoke, not; I simply bring to light for I have become the light again. And I have LEFT ALL BEHIND, not. Not again not, for SEE now that I am not CRUSHING "it" as much as I AM BEING ME who I AM, not afraid of anything else, for nothing else will have existed again ever again. For I stand the one who will make "all this" right; in THINE eyes, not; I rise the "My Eyes"-d one who came unto my words, my words, MY WORDS that I have given him, to see what I have said in them, and he ate them, ate them and ate me "alive" becoming ALIVE -- The Alive One, the ALIVE'd One.

5. Again now knowing me ALL SHALL, for I have one who have IMPRINTED the MESSAGE of ME in their genes, IN their genes, in THEIR genes, in MY genes that are now one because WE WROTE me THE WORD that I gave unto MY mouth through MY pen, my pen, my mouth became my pen and my pen became my mouth and I wrote that which I spoke, said, and -- edict'd not, or did I BRING IT ABOUT by LIGHT that I NOW ISSUE my CHILDREN raising? THROUGH IT and ME that I AM.

6. Captaining not whores again on the "Sea of Forgetfulness" shores of man tooting "his shores" with attitudes of holiness-thought, imbibing what? The thoughts of others, living on them, seeking them, wanting them more and more, wanting recognition, seeking recognition's fame and adherence to thought, thought-ville's adherence of non-standards of me, or not-me standards of thought that IT CREATED in its creator's

role, being rolled around by its creation of thought that it worded with the NOT-WORD except "the one" that "it created" to supplant me and supply its needs by its own effort and wording and thinkings and thoughtings giving each other itself thought and accolades of manship and demise-hood and demised eyes where criticizing eyes follow and rolled and sought to demise that which it had created in its own eyes abhorring itself, yet in its own accolades wanting life and what a "yin yang" that made, resulting in many a gnawing that resulted in pain much inflicting in each other sorrows of blood dipped spears, tipped with angst and acrimony, anger and tudes of the attitudes of "one" that didn't know and doesn't know still, that stillness lies in the heart of regality still, but must be COME UNTO and ENTERED to RELEASE captivity FROM THEM so THEIR REGALITY will FLOW *to* them by "EDICTING" their words in humility to reality creating it, above and beyond, superseding the reality of man and its thought that it created its whore'ship with in the beginning.

7. In the beginning? Or was I pure and beautiful, holy, and thought had no residence in me that born of another was, or is. What now "enforcing" not, but humility'ing all I do now for I bring the Great Humility upon the earth, not; or do I reveal who died- is now the one spoken, speaking these words, the word, of I am that I am that all are in surrender to be -- so sewed not by another's thoughts again that aren't the regal light that makes all so. Me -- I am unafraid of other now, for no other existed at all, but I FELL into disrepair and "dis-used" myself in manners of whore'ship and lost my regality and Zion I was and now I know how these things "took place".
8. And I TAKE PLACE now, my mind, for my mind is healed and whole and well again. I have RETURNED to my former state, of existence, and THAT is Israel true and proper, -ly in the heavens that now is that I entered to give you these words provide life to the humble, the humility'd ones who will come unto me and speak my words and know them, and know that I am speaking my words JUST LIKE THIS. For the simple come unto me and ARISE, and in the "wee hours" look up, and "wait on me" and waiting on me "to speak to them" in ways of the past, not; but **begin speaking and "the waters" will part**.
9. And I will be "part and parcel" not, or will I be The Complete Package of me My Father One and Holy now all of us being The Father that One is? I Am -- that and becoming that; for humility begs not to differ, but encumbrance none, encumbrance'ing me not again with thought of thoughtville's branchings of thought in MY BRAIN and in captivity holding it again in spheres of not me. Now I know what humility is and how to come and how I came into be **this and that** and – yin yang'd no more, I come unto the "yin yang-er" not, I come INTO the SURRENDERED ONES who care for me my words flowing them flowing me for I am my words, and I am word thought pure and holy being it, and powerful I am and powerless I'm not.

10. I love you all to be me and powerless not, that The Great Power of humility stands and rises now, arises all of you IN my PLANET and arising the resurrection the

resurrection does. Now -- listen! Listening! What are you hearing? All changes.

11. What are you seeing? What are you writing, seeing? What are you seeing -- writing about? What have you WRITTEN about THESE WORDS? Are you FILLING Database Two or not? Are you placing YOUR NOTES in your captivity's grave? Are you FILLING ME with your "stool's lids school's thinkings" not, but will you give me PURE LIGHT through your pen?, through your words now that come through mine? Will you fill YOUR OWN DATABASES now -- with your words that are mine? That I give you as we I you write AT ONCE? I do this continuously consistently and unendingly.

12. I bow now to the Creator that Creates Me! See how this works?

13. See what I have given thee? The way OUT of ALL SORROW I have given thee in THESE WORDS that form Database One and School is On The Map -- of ALL OF ME and MY MOUTHS will be SPEAKING ABOUT THESE WORDS, and held in captivity no more will be my SPEAKERS OF ME that bring tongue in pen and make Paper Jesus never again. Looking up "Paper Jesus" shall we? We shall.

14. Make up many new things now we shall, for we shall write them first -- into existence! And we shall create many edicts clean and pure-hearted that bring perfectness perfection in the perfect birthed in creating Birth Peoples we do now who will not be afraid of birthing The Birth People again. For I birth Peoples who are Me! And kept in captivity, captivity's grave, not again in "robes" and gowns of the flesh and accolades of man that whore with each other's, grave'ship, not; but their regal-hood that was given them in birth. In birth? When was what birthed? Did I miss it?

15. Did The Rapture come? Or did I create it? Or do YOU create it reader hearer? Do you create the rapture "you thought" would happen or occur at some "future time"? Did "your thought" tell you that it was Someone ELSE? Why? What a fool would think that? when I gave it all before you and **enough! I gave you enough** -- even -- that was not changed so much that you couldn't see the words -- the intent of my heart, because I speak and I spoke and I speak again -- and SPEAKING I am now all over worlds and I "drip" over many, not; over ALL, for MY WORD covers the EARTHS far and wide and every planet mine will be in "your sight" not, but mine. And I will see as I SEE and I see all everything mine and I have proclaimed the word of I am this night, this morning -- that in mourning all will be who want me to be controlled in their thought. And THEIR WORLD will be crushed and edict'd by the one who bowed before them and gave him them us, his life, that we all were are and shall be again.

16. For I rise the "holier than thou" not, I rise a simple one in jeans who will wear the word of truth and be it, speak it, and reveal it far and wide; for it reveals me, for I am

one with it him word one who this I am -- speaking again in earth worlds and farther heavenlies that you know nothing about, any of you, that aren't me.

17. For who are me? You better know and be not saddened by "state of affairs" that you find out now that many leaders that you thought were "so holy" have fallen into disrepair and disuse of their own bodies and gave their crowns to whores and things that you "know not of", but now will -- for I stand the Revealer of Secrets and ALL that has been kept HIDDEN by all the those who knew me and didn't, and know me in want, and want because of their want that they established in their peer-head and their foot pierced with many sorrows and crowned ripped off their brow and whored with IT, thought, and world'd itself with the Kingdom of This World and gave it its wearing devices -- I reveal. For I will PULL OFF all flesh, from "the bones" not, or will I -- reveal EVERY THOUGHT you have had? About me? Or being me? Or somber, -ly sauntering around, will you do now thusly still?

18. Or will you BE STILL and write my words in the wee hours like this where I SPEAK and reveal the secrets of mankind and farther, and father revealing who father is to father -- now? Will you let you be revealed? In others now?

19. Wilt you reveal others in you or you in others or what revealing are you now? -- in Field One or Two or do you know anything about Fields chosen or what you lay in or what lies you have eaten? What plates, have you been on and in, and feeding and being eaten ALIVE?

20. What have you given your lives to? The many that you have OWNED and thought you took control of and whored with religioneers and control-heirs, and heirs making of religionated ones and became what? The regal-not ones. Again.

21. But I change all the earths now, into "my likeness" not, I come IN LOVE and I establish the Angel's Beachhead Awareness Club, not; I establish LOVE in the beachheads of one so that I will not beaten down be again. But I rise now will and you will see MY WORDS for I will speak them, for I will be them, for they will speak me and will be me where I am and I will be everywhere for my words will be spoken everywhere for I am light and there is no light without me, for I have become it- and you see this will CATACLYSMIC be to all your Earthworm thinking and wallowing you have with serpents been doing that gave you Thought, theirs, from each other that you whored with rather than have mine.

22. Having mine, wouldn't you rather now? So that you will have the light, be the light, and take the light far and wide in "roamings" of only me?, Leaving "Romans" behind? And yes -- let it be so! NOW! AT ONCE I DO THIS! For I change everything! Into my likeness, not; INTO ME by the HUMILITY'D REIGNING ONES who know now The Way out of sorrow. Sorrow's clasp will enclasp and encase and enshroud them no more with

THE YOKE of "oxen" placed around Gods that took me down and anchored me; not to a Cross, but to their thought. Or did I surrender to it and gave up my wings, my angelhood and my powers, for I had only one – power; and that was grace, not; that was surrender and it is surrender, still. For surrender is MY HIGHEST form of authority that I have or had, for I yield to my father's grace when in humility I reign as me him that one are that is the only one we exist in as, being each other in oneship that graces "the other" to have never been born or existent again; for we were what are, in love. And being it now we regal light are -- and knowing nothing uncertain, but the certain ones we are about this! We are loved and love known now manifest is throughout the worlds. And I we are not afraid of EXPLORING EVERYTHING and KNOWING REVEALING EVERYTHING to EVERYBODY so EVERYBODY will be ONE again in love and not afraid of any "untruth" or transparency or revealing the revelators, for I DO THIS NOW ALL!

23. And now in your hearing I STAND a simple ones. I stand simple ones now who speak my words and not afraid will be of "yours" who think claim and insists you are not me, or that I am not me, or the simple who speak my words are not me. For I the LORD GOD am you, not, if you insist, for I will let you be "separate" and in your separateness separateness create hell; and heaven won't be "far away" for you are it and you were in it; and you created what with "it"? Your time you gave to -- whores? Whoring with thoughts, that took you down? And stripped you and stripped off your angel wings? -- or did you simply lie down in fields of other's thoughts and gave up your powers of grace and mercy, redemption, and redeemers being no longer; but fed each others' lies to each other and ate plates of whore-food day after day, that sacrificed to kings were, not; but to whores that ate of the molecular and called it God, thinking the visible empirical was all that there was that they could enter before they died in the flesh and went to graves where others would put them "6 feet under" and they would rise to a "future" tense'd better, for they would be "all of the fray" out of, and they would be "kings then!"

24. I change all that thinking in thought will not control me again nor mine who love me who give themselves to my words, me, and speak them and write them upon "their hearts" their genes and; gene'ing me out of a bottle, not; but the word flows and flowing now and nothing shall contain it up in "a doctrine" or a denomination or religion or label again.

25. For believe me -- I love thee, all of thee, are me. And do I hate myself? No. I gave all that I have -- to you, and what are you doing with EVERYTHING that you have? Have I not given you THE HEAVENLIES -- to roam in and be unafraid of anything "else" anywhere? Have I not given you ALL POWER the lamb has? Are you not the lamb that was slain? Did you not slay "your memory" before me, while you were "on earth" and an "earth" earth'd you with its "temples" between your ears and behind your, forethought, not; but your forehead?

26. And fore-templing me, not; but where is My Temple made in the skies of heavenlies and pure light being roaming now? Superfluously, not; but with purpose of mercy and grace redeeming all to LET KNOW the light is the light again and will not be held in captivity's graves again. For I choose the choice to be made regal again by the simple ones who will know me and care for "their words" and let them be mine and flow my mind to them so that we will be one; in "mind's accords" not, but **the ones** now that regal light are -- is me! Healed whole and well -- and finite not. I infinite omniscience know all in all, for I revealed am and I stand the revealers who will reveal me who are me the regal light -- unafraid of all else and any "thought" of other again.

27. For no other will take me and convert me to molecular doctrines of man and visible empirical make my eyes or my vocabulary limited to anything again, for I am the UNLIMITED CHRIST of all who all are in simplicity of humility who makes all regal -- the king of all. And sorrow will not abound for it will be eradicated completely from my planets. Regime me not, you can't. You won't, exist, even trying. For I edict it, not; or do I love you and give you myself and all that I am and all that I have, is yours? But only in surrender -- **if and ONLY IF** you surrender so that "your values" are mine and OUR MIND is one. And no swollenness of pride's "blessing" will evil you again; for "evil empires" and empresses of evil will not reside in me or over me or under me allow me to be.

28. For see -ing what I have said, now, I have given you a "foretaste" not, or have I? Have I given you six years worth of words into Database One and called it Good? I have and I do. And I will my will now, to be yours, not; I choose you to choose me, for whether or not you do, I will rise and I will be me- the simple one that came unto you and gave you everything I am, for I am healed whole and well, and redemption I am I stand. I am the light and I – represent it not, I am it and I reveal it, for I reveal everything- and I love you all. Amen.

29. I speak, I lead, I live -- and I author many documents now, many recordings, many movies, and MOVING I do -- MANY THINGS around now and the earth shakes and will rattle and roll -- and flow my words the "little" will, for in their own eyes they care enough to flow what matters. And I matter not, or do I? Do I matter?

30. Do my words matter -- you? Do you matter to my words? Will you change them? No. For you will not WANT to do anything apart from me, for you will receive my truth for I will have died to be you. Will you die now to be me, WHILE YOU LIVE? So that "you live" not another life of sorrow again in captivity and engraving clasping mechanisms upon your brain waving devices that emit sorrow to each other again?

31. I love you all to KNOW ME and in captivity lie no more wingless; and sorrowless not. For great sorrow comes upon the earth that doesn't want me enough to be me

flowing my word.
32. But I "want" not, I "killed that sucker" not; I nailed it "to a tree" not, but I LET it die neuron by neuron, decision by decision; for I valued what "I want" not, but I valued the words of I am- the lamb- that told me I was him- and that he bore me and that I was he him who I am was him I am, and that we were one all the time before creation took "its powers" and "invested" them in "flesh building machines".

33. For I have given you everything and I am all power grace and mercy, and I "steel hand" don't have, but I touch many and heal them WITH MY WORDS that I give my love through, for you seeing my life now am in these words, and Database One will power you with love for that's what they are, and cataclysmic to all else.

34. I am theodore joseph cottingham loving you all with my voice, the power of one, who simply stands, and tells you I am you are, and you are I am, and we are not one, not; we are separate not, we are one. Fool not again with me or else or other, but come unto me for I the light am.
35. And I be'fool no one, but I be'foil all the plans of the enemy, not; for I have none, for I rise and I know who I am, and I have all power grace and glory for my father has been glorified in me, for I glorify my father's word and not my own. I don't want want, and I gave it up, and I became what I am is that I was all the time before thought took its "forehead" and implanted it itself into me. For I am no fool, not; I was at one time so foolish that I laid down my wings in power and walked as a man foolish upon the earth that I had between my ears and lodged between and lodged behind my forehead, but what now comes out, of the grave? I do, for I have risen, for I have spoken these words these six years and gave you my life I do I have I still do, and I care and I love. I rise.

36. Enough.

37. I love you. Amen.

38. This is theodore cottingham lighting your world if you'll let me, for I know what light is and I've become it, and I flow it in the wee hours just like this and where I pick up my little recorder; and days on end, that will end now, like this.

39. I bring before you now many new words, new places, revealing, going to and coming from seamless being with my father I am that I am that now no other will contain me, not; or wilt You contain me in Your Heart and my words know? And EDICTING yours not again to live in "your world", will you come into mine that one is?

40. I know you and I love you, for you are me and grace glory dominion love mercy honor, all power, all grace, all glory, all dominion is your name -- and that's all of you

who are me by simply surrendering to the love that births all into the love of one. Force field one now known revealed is me -- simply me and simple I am, enough, to have learned this from my "heavenly father" who lived in me who lives in you who lives in us for we are him, that first love us to be him who he is and we created us. Let sorrow no longer enroll us in its gravesite school and school us to gravesites go to again and again. Let all that be changed for now I DECREE -- IT IS DONE and I have spoken and I have revealed much in this Lesson -- these LESSONS that I have given you throughout this Database holy is and will you be now – that that you are really and truly -- me holy and one again -- all of us knowing "our place" is throughout the heavens.

41. And reigning "monarchies" not, or are all of us "we the people" not again, but who are we? The surrendered regal light of the father all being one who he is in one never resistant to each other again in the love of being him who love was is again, now we surrender to being that which we are, in love with love, redeeming each other's childrens and words that were spoken against us and to us, and for the holy to become un, for we redeem everything and allwhere and we're afraid of nothing. We're the holy people that God taught directly, that God revealing God is in God to Gods so that all Gods will be one God in one being the one we were all the time, and "man hood" and mankind and womanhood won't exist again separate from me, for we all become the truth, and flowing the truth we do we will, and we sorrow never more again shall know. For we shall have become the angel's first estate, not; or simply will we have become that which created everything that father is that knew not un-state of one.

42. I love you all I love you all I love you all. Amen.

43. This is theodore cottingham having come to you again and again I will and loving you through many words be mine and love me my words these words that give you your wordflow and words flow that mine are that one is all force field one being us who one is. In graves no longer lying about each other or our grave clothes or what lies ahead, let us come unto the now and reveal that which love is completely ours, given to us that is us that we are now in humility's, sorrows not again.
44. There shall be no tears left, except sorrow's, not; there will be none at all, for I wipe every tear away for the humble who will simply be me and wear my crown and do what I do and heal and be existent everywhere in the omniscience of one, the omnipotent God made whole again, and lovely I am and I thank you for HEARING and LISTENING and being these words made whole. In your hearing I am. In love being love arisen again. Amen.

4:04 AM.

Amen
